

Chinese leisure time activities

Games

Chinese like to play Mah-jong, Go game(weiqi), card games and xiangqi, a kind of chess game.

Circus

Chinese have very famous circuses; they are very good at acrobatics: jugglers, equilibrists, contortionists, all future acrobats start learning at circus schools when they are 7 to 8 years old, No show includes animals,

Kites

Kites were used during wars to deliver messages to besieged towns. Kites are flown to celebrate the return of Spring, During fights of kites, fighters tried to break the rope of the competing kite, Some kites are very beautiful, those who love kites make their own kites, Many grown-ups play with kites,

Table tennis

Chinese are very good at it,

Shadow shows,

Troupes of artists went from village to village,
