

Fais des paquets de 10 et indique dans le rectangle combien il reste de ronds qui ne vont pas dans le paquet.

A collection of 15 grey circles is arranged in three groups. The first group on the left has 3 circles. The middle group has 5 circles. The second group on the right has 2 circles. Below these groups, there are 4 more circles arranged in a horizontal line. To the right of these circles is an empty rectangular box.

---

Fais des paquets de 10 et indique dans le rectangle combien il reste de ronds qui ne vont pas dans le paquet.

A collection of 25 grey circles is arranged in several groups. On the left, there are 5 circles. In the middle, there are 8 circles. On the right, there are 10 circles. To the right of the circles is an empty rectangular box.
