

Indique la quantité de chaque animal dans le tableau

The image shows a collection of line drawings of animals. At the top left are two owls. To their right are five hedgehogs. Below the owls are four snails. In the center is a single bird. To the right of the bird are four chickens. At the bottom is a table with five columns, each containing a small icon of one of the animals shown above. The first column has a snail icon, the second has a hedgehog icon, the third has a bird icon, the fourth has a chicken icon, and the fifth has an owl icon. The table is empty for counting.
