FICHER

ABECÉDAIRE DES ANIMAUX

Fichier créé par Anne-Marie Samoun annemariesam@free.fr

Ce fichier est adapté à tous les enfants de l'école maternelle. Son but est l'apprentissage de l'alphabet, la mémorisation des lettres et l'amélioration de la motricité fine par la pratique du coloriage.

- En associant chaque lettre à un animal dont le nom commence par cette lettre, les enfants mémorisent plus facilement les lettres, en les rattachant à un élément concret.
- Le coloriage est facile, car les dessins ont le plus souvent un large bord. Pour les grandes sections, les enfants peuvent écrire le nom de l'animal qui figure sur chaque fiche.
- Ce fichier peut aussi servir d'affichage ou peut constituer un support avec les lettres de l'alphabet que chaque enfant conservera.
