- reconnaissance visuelle,

# Le programme de petite section à travers le conte « Boucle D'or »

Le conte de Boucle d'or est particulièrement adapté aux petites sections par les thèmes qu'il aborde et par les compétences qu'il permet de mettre en œuvre.

Ce fichier aborde donc les principaux points du programme de petite section en reprenant des types d'exercices qui sont traditionnellement donnés dans tous les domaines. Parfois, plusieurs niveaux sont proposés, pour s'adapter aux capacités des enfants ou à la période de l'année dans laquelle on étudie ce conte.
